Remarks

Vidhyarthi Darpan is an education portal. It is a single platform on which all education entities are linked together i.e. schools, colleges, coaching's, universities etc.

This acquire uniqueness and thus it doesn't have any specific segment. The portal, Vidhyarthi Darpan fulfills all requirements of all types of institutes or educational organizations. It provides solutions to students and gives a platform to rectify their problems in an optimized and a personalized way from both rural to urban at various locations via online and offline mode.
